New England Y members visiting Y's in New England may visit other YMCA's at no fee, however, restrictions may apply. Each Y is required to post information on their website or directly contact the Y you are visiting to determine their policies and/or restrictions.

You must have your home Y ID card with you. You will be required to sign a waiver. We reserve the right to contact your home Y.

Restrictions for visitors to the Darien Y from New England States

Membership Policies

Code of Conduct

We expect everyone using the YMCA to behave in a mature and responsible way and to respect the rights and dignity of others. Our Code of Conduct does not permit language or actions that can hurt or frighten another person or that falls below a generally accepted standard of conduct. Members should report any infraction to a YMCA Director immediately.

The YMCA reserves the right to suspend or revoke any membership for good cause as determined by the executive director or Board of Directors. The length of suspension or refund of membership dues or fees will be determined by the same authority.

The actions listed below are not an all-inclusive list of behaviors considered inappropriate within the YMCA property, facilities or programs:

- Carrying or concealing a weapon or any device or object that may be used as a weapon.
- Harassment or intimidation by words, gestures, body language, swearing, name calling or shouting.
- Sexually explicit conversation or behavior; any sexual contact with another person.
- Inappropriate, immodest, or sexually revealing attire.
- Theft or behavior that results in the destruction or loss of property.
- Loitering within or on the grounds of the YMCA.

Youth Supervision Policy

Children under 11 must be accompanied by an adult at all times (with the exception of open gym). Please see the following rules for each department:

- **Wellness Center:** Minimum age is 13 years old, which constitutes a Student Fit membership. All Student Fit members must complete a Wellness Center youth certification (free of charge) with one of our personal trainers before being allowed to use the Wellness Center (please see Wellness Center Student Hours). **
- **Training Center & Group Exercise Classes:** Minimum age: 15 years. Anyone under 15 in the Training center must be accompanied by a Personal Trainer.
- **Open Gym:** 10 years of age & older. Children under age 10 must be accompanied by an adult.
- **Aquatics Swim Lessons:** Children under age 5 need to have a parent/guardian on sight at the Y during their swim lessons. School age children can be dropped off for swimming lessons but a parent/guardian needs to be at the Y to pick up when lessons are completed.
- **Aquatics: Children 8 & under** must have a parent/guardian (min of 17 years) with them in the water and in the locker rooms at all times.
- **Aquatics: Children 9 to 11** must have a parent/guardian supervising them on the pool deck at all times. If a 9-11 year old child is a non-swimmer a parent/guardian is required to swim with their child.
- **Aquatics: Children 12 years and older** are allowed to use the pools without direct supervision. Parents are strongly encouraged to be in the building while their child is swimming.
- **Gymnastics:** Gymnasts must be accompanied by a parent/guardian until the instructor has opened the door for classes. A parent/guardian needs to pick up their children at the end of the class. Under no circumstances should a child be left alone by a parent or guardian on the Mezzanine or downstairs Alcove area. Team members of all ages may be dropped off at the front entry way to the Y but parents MUST park their cars when picking up their child from practice.

****During the hours of 5 - 8pm on weekdays, all students of perspective ages must be accompanied by a parent in the Wellness or Training Center.**

The YMCA would prefer that all children under 16 years of age be picked up at the "Y" instead of having them walk or bicycle home.

Insurance Policy

The Darien YMCA does not provide accident insurance for injuries sustained during YMCA activities. Program members participated in programs and use the facility at their own risk. Members are encouraged to have personal medical insurance coverage.

Weather Conditions

The Y will make every effort to open its doors during inclement weather. Please note that a final decision to open or close will be made based on the conditions of your safety, staff safety and emergency first responders recommendations. Holly Pond Nursery School will continue to mirror the Darien Public Schools in the event of their closings or a 90-minute delay. If the Darien Public Schools have a delayed opening and the YMCA opens at its regular morning hour, the following policy applies: Holly Pond Nursery School will open at 10am, all Youth Aquatic and Gymnastics Classes will begin at 10am, and all Group Fitness Classes and Adult Fitness Classes will run at regularly scheduled times. If the Darien Public Schools cancel school or have an early dismissal, a decision will be made by the Executive Director about whether the YMCA will remain open and whether classes will run. All announcements regarding closings will be made available online through our website (under Y News), on Facebook, Twitter, our iPhone mobile app, and our Droid mobile app. If you have any questions you should call the Y's main phone number and a recorded message will be current.

Cancellations

The YMCA reserves the right to cancel classes due to less than minimum registration. Cancellation decisions will be made the day prior to the start of class. Attempts will be made to reach those registering by phone to inform them of cancellation. Should the YMCA need to cancel a class, a full refund or credit will be issued to those registered for the program. If a class is canceled due to weather conditions, the Y will make up one canceled class per session except for team sports. More than one class cancellation will result in a program credit.

Make Up Policy

Program participants register for classes on specific dates and times. Unless the YMCA cancels a class, and provides for a makeup, attendance in scheduled classes is the responsibility of the participant. We cannot provide make-up classes or allow the participant to attend a different class.

Pre-Kindergarten Program

The Holly Pond Pre-K program is designed for the older 4 and early 5 year old who will benefit from an additional year of nursery school before entering Kindergarten. This traditional program allows the Pre-K student to develop not only academically, but emotionally and socially. Our small classroom setting allows for individualized attention as we focus on early mathematical skills, language arts and exploration of scientific concepts. To enhance this curriculum, we have a weekly music program that helps develop students' imagination and language skills. Our program is also uniquely designed to provide weekly swimming lessons, instructional gymnastics and other sports activities that improve both physical growth and motor coordination, while building social skills in teamwork and sportsmanship.

Holly Care

The Holly Care Program provides a structured environment in which children revel in their exploration of new ideas and new activities. Children may attend the morning, "afternoon, or full day sessions. Each day's activities include supervised lunch time, outdoor play, story time, arts & crafts and more. In addition, children will participate in the special theme of the day (see chart) to help develop their motor and social skills. Children must be 3 years of age and fully potty trained.

Holly Pond School

Kids Club After School Program

Holly Pond School's "Kids' Club" is an ideal after-school program for children of active and working parents. Kids' Club is a state-licensed program designed for children age 3 through 5th grade. Participating children can ride the "Y Bus" directly from their Darien school to the Kids' Club program held at the Darien YMCA. There they are met by the Kids' Club staff who create a supportive environment for after-school fun. Children may stay as late as 6:30 PM.

Our goals are to promote self-confidence and social growth through daily projects and team activities and to encourage responsibility among children, for example, in carefully completing their homework. Children of similar ages are placed in small groups. Depending on the age of the children in the group, typical activities include homework time, indoor/outdoor games, snacks, arts and crafts, swimming, cooking, and special events. Whether in the pool or the classroom, Kids' Club incorporates the national YMCA's values of Caring, Honesty, Respect and Responsibility in its curriculum.

Kids' Club follows the Darien public school calendar. The program operates during early dismissal time and conference days. We welcome children of all abilities.
